

REMARKS/ARGUMENTS

By this Response to Notice of Non-Compliant Amendment (C.F.R. §1.121), a corrected Amendment to the Specification section is being provided including an amended Abstract attached as a separate sheet. In this corrected Amendment to the Specification section, the double-hyphens at the beginning and end of each heading/paragraph have been deleted. In addition, the attached Abstract indicates the amendments made to the Abstract currently on file by striking through those words being deleted and underlining those words added.

In view of the foregoing and for the reasons set forth in Applicant's Amendment filed September 4, 2007, it is respectfully requested that the claims be allowed and that this case be passed to issue.

Respectfully submitted,  
Gunter HRAZDJIRA
